Important Items to Note:

Resale Shop (Buy or Trade) – All items are ½ the price marked.

We invite you to bring items to sell. They may be overstock items or just items that you have sold for years and it is time for something new. Bring them to the show and they will be sold for ½ of the marked price. Since the money goes to you, each item needs to have your farm name on it. If you choose to sell items, please sign up to take a turn running the booth, if we do not volunteers we will be forced to discontinue the Resale Shop, so

please sign up. It is a great way to make a little extra money from things just sitting around! Contact Joey Daniken if you are available to work the resale shop. (618-410-9702)

Silent Auction

Once again, this year, we will be having a silent auction. Be sure to place your bid before they close on Saturday at 12:45 PM.

Please let us know if you wish to donate a prize for the silent auction or the print ad contest. We really appreciate your support!
